

SENIOR REP PROGRAM

HERE'S WHAT YOU NEED TO KNOW:

We will be accepting 5-7 applications on June 15th and sending out offers to be on the team. Next we will plan a party for everyone to meet and get to know each other.

WHAT BEING A REP ENTAILS:

Two free shoots during the year, one in cap and gown before graduation.

You can choose from several additional shoots that cost money, one paid shoot is required (\$25-\$50 depending on the extent of the shoot).

After each session we will have a reveal party with all of the models and let you choose 3-4 images to use on your social media to promote our studio.

You are expected to participate in two "rep team" shoots throughout the year not including your personal senior photos, but are welcome to participate in more.

At the end of the year once we've done all of our shoots as well as your senior session you will have the option to purchase any or all of the photos we've taken throughout the year, as well as a one-on-one print and ordering session.

RECRUITING FUTURE MODELS:

Our goal is to continue this program for years to come so we would love your help and there are incentives! Bringing in future models will get you digital credit which you can use at your reveal and product ordering session.
